PTA Update

Thank you to everyone who has donated their time, money and resources this year so far to help raise money for our children at GJS. Our most recent event was Mr Gooden's Quiz Night – his final one at GJS. It was a huge success with lots of fun and laughter shared. On the night, we managed to raise £1200! That is the most we have managed to raise at a quiz night. Thank you! This money will go towards buying new resources for the children such as improving the playground.

In the near future we will be having other events, the largest of which is the Summer Fair – details are below. We hope everyone will be able to help us prepare for this event and join us on the day.

Parent Workshops

ADHD Wise UK

ADHD Wise UK provide Information, support, services and resources on ADHD in the UK, and other neurodiverse conditions.

Using psychoeducational principles to help them understand how ADHD is impacting day-to-day lives and using this knowledge to move forward constructively. They work with children from ages 6 through to adults, as well as working with the families and professionals who support them.

Offer:

Coaching, Counselling

Parent course - a 6-week course held online for parents of children with ADHD - diagnosed or undiagnosed

KOALA- Incredible Years Autism Course

Parents can face many difficulties and challenges when it comes to supporting their child, who is on a pathway or has been diagnosed with Autism.

Koala's Incredible years Autism course is group based, where parents can meet other parents, that are wanting to understand their child, would like support, tips, strategies and ideas to help deal with particular situations in the home.

The weekly group sessions give information, encouragement and opportunities to speak with other parents over shared concerns. With this helping to improve confidence and helping empower each other. For further information [Please Click Here](#).

Online Safety

Potentially addictive online games are nothing new, but the specifics of this kind of media can vary enormously – and, as a consequence, the risks in each individual game are just as diverse. The city-builder Township is no exception: providing its legions of devotees with accessible, satisfying fun ... but exposing them to potential hazards at the same time.

However, any safeguarding issues that the game might have can (with a little knowhow) be neutralised – allowing young players to have some engrossing fun without adults needing to worry about children's data, their money or their mental wellbeing. Our guide outlines how to help young gamers enjoy Township safely and responsibly.

Uniform Reminder

Now that we have returned after the Spring Break, children are invited back to school in their summer uniforms. Rather than wearing shirts, tie and grey trousers, skirts or pinafores, summer uniform includes the option to wear:

- Blue and white gingham dress
- Plain white or logoed short sleeved polo shirt (airtex type with collar)

There is no change to the PE uniform the children wear

- Navy shorts
- House T-shirt [plain and in the colour of their House]; not coloured T-shirts or football tops etc.
- Sports socks.
- Trainers, suitable for either grassed or hard surfaces should be worn. [These can be the ones stored in school for playtimes. There is no need to supply more than one pair of trainers for school.]
- A plain, or school logoed navy-blue or black tracksuit is also advisable for the colder days.

Please can I ask for all children to wear appropriate PE uniform rather than branded sportswear of varying colours.

Important reminders

- For reasons of health and safety, sandals/open-toed shoes or jewellery should not be worn in school.
- Long hair (shoulder length or below) should be tied back with a plain hair bobble or band. For those with short hair, a reminder that fully shaved heads or decorative tram lines are not permitted.

Menu

Please see the [school website](#) for allergy menus.
